Financial Support

Throughout this past month we have been overwhelmed by the many answers to prayer. Sometimes our prayers were answered before we were even able to verbalize them. June 7-8 we began the process of downsizing by having our first garage sale. We set out our display board and had opportunities to share with some of the shoppers. One of the neatest was a discussion with our neighbors about our plans. We invited them to church, and we then asked them about a one on one Bible study. Keep praying for them and for more open doors.

June was a busy ministry month. The first two weekends we presented in Union and Reinbeck, Iowa. June 17-23 we spent with the youth group helping with the CBM church build in Columbus, WI.

We brought 11 teens and 5 adults, including us. We enjoyed a week of setting forms for concrete, helping with the concrete pours, landscaping, scraping floors, and many other jobs. It was also a great time of spiritual growth for many of the teens as they were stretched in ways they hadn't been stretched before.

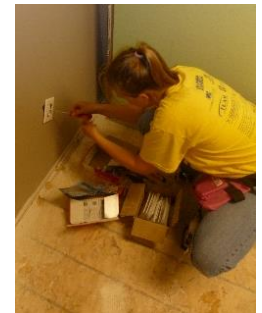

Fulfilling the great commission together,

Brian, Brenda, Amanda, Luke, Nathanael and Rebekah Krueger

KIDS' CORNER!

What was the best part about the week Mom & Dad were on the Mission's trip?

Amanda (8) – (at camp) "The jumbo dog."
 - At Grandpa & Grandma's
Luke (7) – "Going fishing and eating gummy worms."
Nathanael (5) – "That we had hotdogs almost all the days."
Rebekah (2) – "I got to play Peggle."

Current build site update: Sidewalks are poured, entry way tiled, floors cleaned, outlets and light fixtures are being installed, alarm system completed, and much more. The builders have moved their homes offsite so they can begin working on the parking lot.
