We are rejoicing in what our God is doing! In June we learned that our sending church voted to increase our support. Rejoice with us! With this increase in support, we crossed a milestone. One third of our support has been raised and we are encouraged that God continues to enable us to do His will. We still have 66% more to raise and would encourage you to consider partnering with us.

The month of June began with Brenda running her second half-marathon and she is challenging herself to run a full marathon in October. She has been training and participating in running events and ran the Dam to Dam half marathon in Des Moines, IA.

Amanda went on her first teen mission's trip to Missionary Acres in Silva, MO. They spent most of their time breaking up and pouring sidewalk. They did 225 yards while they were there for the week. We were told that Amanda was adventurous and wasn't afraid to participate even when she didn't have the strength to do the job.

Luke spent a week at Jr. Boy's Camp at Clear Lake, IA. He enjoyed the time with friends from our church, but he was also a bit surprised by the number of boys he recognized from other churches.

We immensely enjoyed a fun, family vacation catfishing at the Red River in East Grand Forks, MN. Brian finally caught a catfish over 4 lbs. (on his fifth fishing trip). In fact, Brian caught the biggest fish this year with a 17lb, 7oz. catfish.

This month, we shared our ministry with Aurora Reformed Church in Aurora Center, South Dakota and First Baptist Church in Grundy Center, IA. At both of these churches we enjoyed renewing old friendships as well as making new ones. It is amazing how God works!

*Fulfilling the great commission together,  
Brian, Brenda, Amanda, Luke, Nathanael and Rebekah Krueger*

## KID'S CORNER

*Luke, tell us about Jr. Boys camp.*

*Luke (10) - "Jr. Boys was so much fun. 20 Boys got saved, I went down the zip line and climbed the climbing wall. We played fun games while learning about God. The camp food was really good. I had fun playing with friends and making friends. Some of my favorite things were camp food, zip line, ga-ga ball, climbing wall, games, making new friends and chapel."*
