In February, as Brian started to call churches, he found it to be a struggle. It was not easy and he made some mistakes. We are so thankful that when one takes steps of faith God is there directing your path. We met with our pastor to discuss how things were developing, and he shared with us his preferences on how to be contacted by missionaries. Brian took his advice and started contacting churches again.

There are so many things to praise God for:

- ❖ Our local church and each one who has come alongside of us and is praying for us. Thank you. God is answering your prayers.
- ❖ Brian's job, because they have been very supportive in allowing him to call pastors on week days (the best time to contact them) during this time on deputation.
- ❖ Our God; it is very evident that He is going before us and directing our path. By the grace of God, we now have seven churches scheduled to present our ministry.

March has been a busy month. Our youth group had a guy's game night and a ladies' sleepover. We also participated in our Easter choir. It was a precious time celebrating the resurrection. Our display board, prayer cards, hammer bookmarks, pencils and laser engraved hammers are prepared and ready to hand out. We look forward to the blessings and challenges that God has in store for us in the upcoming months.
