*"But now, O Lord,
You are our Father;
We are the clay, and You our potter;
And all we are the work of Your hand."* Isaiah 64:8

In March, our kids and one of the neighbor boys built race cars for the Truth Tracker Grand Prix. We helped them design, cut, drill, sand and paint their blocks of wood in preparation for race day. That day they got to see their hard work put to the test. The message presented on race day reminded us of how God invests in our lives, cutting, drilling, sanding, and molding us to be more like Him so that when we are put to the test, we will be found faithful. Please continue to pray with us for our neighbor's salvation.

We scheduled churches on two weekends: one an outdoor sports show and the other a tool show. Brian could spend hours looking at the latest gear, but the kids... not so much. The first weekend we found a few things for our next Boundary Waters trip. The other weekend, at the tool show, we connected with a company that is willing to give us a great deal for the hammers we hand out.

We also celebrated Brian's birthday with a German chocolate cake.

In March, we shared our ministry at Stoughton Baptist Church in Stoughton, Wisconsin, First Regular Baptist Church in Kansas City, Missouri and True Bible Baptist Church in Des Moines, Iowa. Brenda played piano for a couple of these churches because their regular pianists were sick. We continue to be amazed at how God uses our gifts and talents to serve Him. Once again we thank you for your prayers on our behalf.

Fulfilling the great commission together,
Brian, Brenda, Amanda, Luke, Nathanael and Rebekah Krueger

KID'S CORNER

What is your favorite kind of birthday cake?

Amanda (10) - "Cheesecake."

Luke (9) - "Peppermint, or mint or the kind I had last year, whatever you want to call that."

Nathanael (7) - "I think it would be the chocolate cheesecake, that was pretty good."

Rebekah (4) - "I think my favorite kind of birthday cake... I think it's the monster cake."

Cantonment, Florida site update: Outside: the driveway and side walks are poured and half of the landscaping sod has been put down. Inside: all of the sheet rock is up and the nursery and bathrooms have been painted and are ready for tiling. In the auditorium they will be adding the sound both and working on the stage.
