**"The LORD has done great things for us, And we are glad."  
Psalm 126:3 (NKJV)**

We crossed a significant milestone and are praising God that we now have one quarter of the support we need! God is truly "doing great things for us and we are glad." Our sending church increased our support which put us over the 25% mark. We are praising God for the work He is doing in and through our lives. It is truly an awesome thing to watch Him work.

The month of May was filled with much fun and a scary "first" at the Krueger house. Nathanael tripped, fell and hit his ear on the corner entry way to our kitchen. A trip to the ER resulted in 14 stitches on his right ear. He did great as the doctor sewed him up and his ear is healing well. Brian and Luke went to

the Father-Son retreat at Iowa Regular Baptist Camp. They went down the zip-line together and then Luke encouraged another boy to take that first step. Brian enjoyed spring turkey hunting with Luke. Some hens came to the decoys and Luke didn't understand why Brian was taking pictures instead of getting ready to shoot, but Brian did harvest a tom while hunting with his dad. Brenda spent a couple of days with her mom, aunt, and two cousins shopping for quilt making supplies for our kids, who will be making their very own quilts. We also celebrated Brenda's birthday with the traditional ice cream cake.

As parents it was encouraging to see our three older kids get the Faithful Tracker Award in the closing program for our Wednesday night children's program, Truth Trackers. This award is given to children who memorize Scripture, complete daily devotions and finish their book.

We shared our ministry with three different churches in three different states this month. We greatly enjoyed our time at Mission Hill Baptist Church in Palmyra, MO, Meadowood Baptist Church in Madison, WI and Woodland Baptist Church in Fergus Falls, MN. We never cease to be amazed at how God uses us in these churches and how God uses these churches to encourage us.

Fulfilling the great commission together,

*Brian, Brenda, Amanda, Luke, Nathanael and Rebekah Krueger*

**KID'S CORNER**

What were some of your favorite things about Jr. Boys' Camp?

Luke (9) - "The climbing wall and the zip line were really fun." 18 kids got saved. :) The meals were really good.
